## The Woodstock Holiday Fizz

On December 10, 2009 The Waverly House will be hosting a celebration to benefit Jazz on the Square. Various Woodstock businesses such as Le Petite Creperie, Tarts and Truffles, Read Between the Lynes, and O'Leary's will be providing wine-tasting, appetizers, and unique gifts. The Waverly House has been hosting "Fizz" for the past several years as a fundraising event for local not-for-profit organizations. Jazz on the Square is fortunate enough to be chosen as the recipient of this year's benefit. Proceeds will go towards upcoming Jazz on the Square educational workshops.
